**STATEMENT OF COUNCIL MEMBERS' RESPONSIBILITIES**

The University of Malawi Act; requires Members of the Council to prepare financial statements for each year, which give a true and fair view of the state of the financial position of College of Medicine, a constituent college of the University of Malawi as at the end of the financial year and of the results for that year.

The Act also requires Members of the Council to ensure that the College keeps proper accounting records which disclose with reasonable accuracy at any time the financial position of the College and enable them to ensure that the financial statements comply with relevant legislation.

In preparing the financial statements, the Members of the Council accept responsibility for the following:-

- Maintenance of proper accounting records;
- Selection of suitable accounting policies and applying them consistently;
- Making judgement and estimates that are reasonable and prudent;
- Compliance with applicable accounting standards, when preparing financial statements, subject to any material departures being disclosed and explained in the financial statements; and
- Preparation of financial statements on a going concern basis unless it is inappropriate to presume that the College will continue in business.

Members of the Council also accept responsibility for taking such steps as are reasonably open to them to safeguard the assets of the college and to maintain adequate systems of internal control to prevent and detect fraud and other irregularities.

Members of the Council are of the opinion that the financial statements present fairly, in all material respects, the financial affairs of the College and its operating results.
