Kamuzu University of Health Sciences (KUHeS) is a public university with the aim of competitively imparting knowledge and producing transferable skills through teaching and learning, research, consultancy and application of knowledge, skills and aptitudes to meet professional needs of society at national, regional and global levels. It was established in 2019 under the act of parliament, by merging Kamuzu College of Nursing (est. 1965) and College of Medicine (est. 1991). KUHeS has three campuses: Blantyre, Lilongwe and Mangochi, with Blantyre serving as the main Campus.

The university specifically trains health professionals such as nurses, midwives, medical doctors, pharmacists, physiotherapists, nutritionists, and biomedical scientists/lab technologists at both undergraduate and postgraduate levels.

VISION

A World-class University and a Centre of excellence in health education, research and innovation.

MISSION

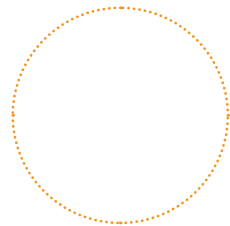

To advance knowledge, professional competencies, skills and innovations in health sciences through high quality student-centred and innovative education and research that influences the global/national policy, health and development needs in an efficient, sustainable and result-oriented manner.

CORE VALUES

To achieve the vision and mission, the university adheres to the following core values to guide staff and students in respect to the manner they should be carrying out their operations and conduct:

- Respect for diversity
- Entrepreneurship
- Care
- Teamwork
- Integrity
- Excellence
- Freedom of thought and expression
- Professionalism and Ethics
- Innovativeness
- Life-long learning.
