ABOUT KUQAP

KUQAP is a Kamuzu University of Health Sciences Quality Assurance Programme. It provides locally coordinated EQA/PT services to help laboratories monitor analytical performance, identify problems early and strengthen confidence in patient results.

OUR FOCUS

- Affordable access
- Local participant support
- Digital reporting through EQALite
- Quality improvement follow-up

WHY PARTICIPATE

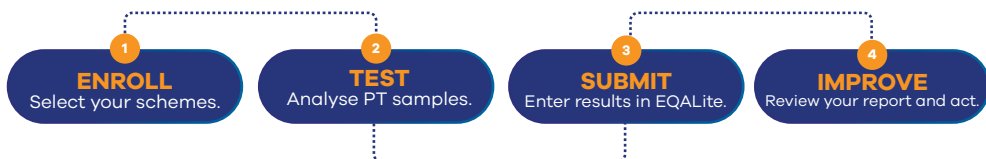

AVAILABLE AND PLANNED SCHEMES

Subscribe only to the schemes that match the testing services offered by your laboratory.

AVAILABLE NOW	PHASED EXPANSION
• Full Blood Count (FBC) • Clinical chemistry	• POCT: glucose, HCG and urinalysis • Endocrinology: TSH and HbA1c • Morphology Peripheral Blood Smears

HOW TO PARTICIPATE

KUQAP supports laboratories to translate EQA findings into measurable quality improvement.

EQA / PT SERVICES PRICE LIST

Annual subscription fees for laboratories and healthcare institutions
